whom everybody knows as the successful manager of the

of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of

Ayer's Sarsaparıla.

Since then Mr. LELAND has recommended AVER'S SARSAPARILLA in many similar cases, and he has never yet heard of its fail-

ure to effect a radical cure. Some years ago one of Mr. LELAND's farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND's direction, was supplied with AVER'S SARSAPA-RILLA, which allayed the pain and britation, healed the sores, removed the swelling, and completely restored the limb to use. Mr. LELAND has personally used

Ayer's Sarsaparilla

for Rheumatism, with entire success; and, after careful observation, declares that, in his belief, there is no medicine in the world equal to it for the cure of Liver Disorders, Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases.

We have Mr. LELAND's permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AVER'S SARSAPARILLA to see him personally either at his mammoth Occun Hetel, Long Branch, or at the popular Leland Hotel. Broadway, 27th and 2sth Streets, New York. Mr. LELAND's extensive knowledge of the good done by this unequalled eradicator of blood polsons enables him to give inquirers much valuable information.
